A Note From Mr. Hughes:

The Mt. Tabor Science Fair was held on Thursday. The science projects were awesome! A big thanks to our judges, Mrs. Sandifer, Ms. Hobson and all the students that participated in our science fair. Congratulations to our 1st place winners: Matthew Herder (K), Olivia McDowall (1st), Fox Iseminger (2nd), Jaden Holiday (3rd-tie), Lucas Burns (3rd-tie), and Joshua Endres (4th). The district science fair will be on April 6th at Grant Line School.

Spring picture day is on Wednesday, March 1st. Only students that are new since our fall picture date or those that pre-ordered a picture package will have their picture taken.

Thanks to those families that participated in the PTO World Finest Chocolate Fundraiser. All money should be turned in by Wednesday, March 1st. The PTO Father (Special Person)/ Daughter Dance will be held this Saturday, February 25th.

Spring Break is March 20th-31st. Have a great weekend!

Mr. French's Corner

A B Cs Of Student Success

W is for WISDOM.

Wisdom is learning born from experiences, both positive and negative. You can develop wisdom in your child by...

- allowing him or her to make choices and know the consequences of the choices.
- encouraging children to reflect on what they learn through their experiences. Would he do it again? Would she do it differently?
- helping children recognize the effects their actions have on people and situations.
- observing and pointing out the actions and consequences of others' behaviors.

A note from your school nurse: Allison Nestor, RN

Flu season is here!! Get your Flu shot now!! And everyone needs to practice healthy habits to stay well. Besides eating nutritious foods and getting enough rest, hand washing is one of the best ways to prevent the spread of germs at home and school. Please remind your children to wash their hands with warm, soapy water before eating, after using the restroom and anytime they blow their nose or sneeze. **If your child does become ill, please keep him or her at home until they are free of fever for 24 hours without the aid of medication (Tylenol/Ibuprofen). A temperature of 100.4 or higher is considered a fever.** If your child tests positive for Covid-19 please contact the hotline at **812-542-2270** for further instructions. Students should also remain at home for recent vomiting or diarrhea (3 or more loose stools in 24 hours). Students diagnosed with strep throat should stay home until they have been on antibiotics for 24 hours. This helps prevent the spread of illness. Always call your healthcare provider if the symptoms have not improved after a few days. Thank you!

2023

Please help our school be full of kindness this month! You can also do acts of kindness at home and/or daycare too. We have some special dress up days planned for "Random Act of Kindness Week".

How can I sign my child up to see a Nurse Practitioner?

Online

- Go to www.lifespringhealthsystems.org.
- On the drop down menu in the top right corner of the page, click on "Intake Paperwork", then click on "School Based Health Services Intake". Complete all steps of the web-based form.
- If your student does not have an immediate need to be seen, but you would like to have the paperwork on file for future use: on the last question about what issues are going on, just type "submitting this for future use, if needed."

In person

- Parents/guardians may come by our office to fill out paperwork in person at any time (We are located down the hall from the main entrance, next to the nurse's office.)

Insurance accepted, but not required. A sliding fee scale is available. No one will be turned away.

No payment required at time of service

**AVAILABLE FROM 7:00 AM - 3:30 PM MONDAY THROUGH FRIDAY,
