

TIGER TALES

Mt. Tabor Elementary School

Week of February 20, 2023

Established in 1928

Important Dates & Events:

17– End of Chocolate Sales

22– 2nd Grade Field Trip

23– Science Fair

A Note From Mr. Hughes:

The PTO World's Finest Chocolate fundraiser has been extended to Wednesday, March 1st. We still have thirty-three boxes of chocolate left. Please do not allow your student to sell door-to-door or to strangers. Thanks for supporting our awesome PTO!

A reminder that if your student is a car rider, they must be dropped-off/picked-up in the car rider line. The car rider line entrance is off of Mt. Tabor Road between the baseball field and lower parking lot. The upper level is for school busses and daycare vans only. Please do not drop-off/pick-up students at the walker path. Students arriving after 8 a.m. are considered late and must be signed in by the parent at our welcome center (main entrance – door #1). Thanks for your help keeping our students safe.

The Mt. Tabor Science Fair is on Thursday, February 23rd. There will be an awards program that evening at 6:00 p.m. recognizing the top three finishers in each grade level. The district science fair will be held on Thursday, April 6th. Thirty-one more days until spring! Have a great weekend!

A B Cs Of Student Success

V is for VIPs.

Who are some of the Very Important People in our school? Our teachers, of course! Teachers plan interesting lessons, assess reading levels, grade assignments, answer questions, lead discussions, guide activities, solve problems, and settle debates. Teachers watch the playground, supervise the cafeteria, tie shoes, button coats, dry tears... Most of all, teachers care about kids. Take a little time in the week ahead to remember to thank your favorite teachers. A little encouragement can make a big difference!

A note from your school nurse: Allison Nestor, RN

Flu season is here!! Get your Flu shot now!! And everyone needs to practice healthy habits to stay well. Besides eating nutritious foods and getting enough rest, hand washing is one of the best ways to prevent the spread of germs at home and school. Please remind your children to wash their hands with warm, soapy water before eating, after using the restroom and anytime they blow their nose or sneeze. **If your child does become ill, please keep him or her at home until they are free of fever for 24 hours without the aid of medication (Tylenol/Ibuprofen). A temperature of 100.4 or higher is considered a fever.** If your child tests positive for Covid-19 please contact the hotline at **812-542-2270** for further instructions. Students should also remain at home for recent vomiting or diarrhea (3 or more loose stools in 24 hours). Students diagnosed with strep throat should stay home until they have been on antibiotics for 24 hours. This helps prevent the spread of illness. Always call your healthcare provider if the symptoms have not improved after a few days. Thank you!
