A B Cs Of Student Success

X is for EXPLORE.

Children are naturally curious about many things. Providing opportunities to explore their interests is a great way to help them learn.

- Encourage children to seek answers to their own questions.
- Buy books that capitalize on their interests and help them learn more. (Even better, visit the library.)
- Support hobbies by providing supplies and complimenting their efforts. Better yet, join in the fun!
- Visit museums and other places of interest.

A note from your school nurse: Allison Nestor, RN

Flu season is here!! Get your Flu shot now!! And everyone needs to practice healthy habits to stay well. Besides eating nutritious foods and getting enough rest, hand washing is one of the best ways to prevent the spread of germs at home and school. Please remind your children to wash their hands with warm, soapy water before eating, after using the restroom and anytime they blow their nose or sneeze. **If your child does become ill, please keep him or her at home until they are free of fever for 24 hours without the aid of medication (Tylenol/Ibuprofen). A temperature of 100.4 or higher is considered a fever.** If your child tests positive for Covid-19 please contact the hotline at **812-542-2270** for further instructions. Students should also remain at home for recent vomiting or diarrhea (3 or more loose stools in 24 hours). Students diagnosed with strep throat should stay home until they have been on antibiotics for 24 hours. This helps prevent the spread of illness. Always call your healthcare provider if the symptoms have not improved after a few days. Thank you!

Dear Supporters,

Happy Playgrounds! Healthy Kids! Mount Tabor Pride! Sponsors Needed by 3/6

Mt. Tabor Elementary School's PTO is hosting its annual Tiger Trot Walk-A-Thon event! **We are raising funds for new playground accessories, outdoor equipment and other school initiatives.** Unfortunately, many of these extra expenses are not able to be covered by the school's already tight capital improvement budget. Therefore, we need your help in raising these funds to enhance the educational experience for our students. Can we count on your support as a sponsor?

Not only do we want to give our students a safe place to play, and a healthy lifestyle, but also pride in their school. Mt. Tabor students and their families participate directly with this fundraiser by seeking pledges for the walk-a-thon event. Funds raised will also be used to support the purchase of new school spirit wear, designed and drawn by one of our very own students! These shirts will be worn by students for school activities, field trips and year-round throughout our community!

We are seeking sponsorship for our tiger trot t-shirts, and in exchange we will have your logo or business name printed on the more than 750 shirts! You will also be acknowledged as a sponsor at our Spring Festival. What a great way to promote your business and support your neighborhood children! Your generosity is greatly appreciated. Individuals or families may also be a sponsor.

Thank you so much for considering a sponsorship for Mt. Tabor! Go Tigers!
