

A Note From Mr. Hughes:

The PTO hosted Muffins with Mom today. We had a big crowd! Donuts with Dad is on Friday, May 26 th at 7 a.m. in the cafeteria. A big thanks to our awesome PTO for hosting both events.

The PTO Tiger Block Party is on Thursday, May 18 th from 6 – 8 p.m. Featuring inflatables, music, the book fair and the Bert's Quality Provisions food truck. Please join us as we celebrate the end of the 2022-23 school year.

Happy Mother's Day to all of our Mt. Tabor moms. Have a wonderful weekend!

Mr. French's Corner

To finish the year, we will focus on tips to help prevent summer learning loss. On average, students lose 17-34% of what they learned during the school year. The good news is you can help to prevent some of that learning loss with just a few small activities each day.

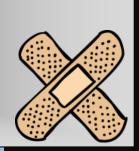

Tip #4-Another fun way to incorporate learning is through basic home activities. Things such as cooking, baking, and grocery shopping can be easy ways to involve learning over the summer.

Health Office Notes:

()

The Indiana Chapter of the American Academy of Pediatrics, with support from Indiana FSA. has created the CARE Program to help address the mental healt needs of children and adolescents throughout the state of Indiana.

The CARE Program:

- Connects children and their families to the mental health services they need
- Identifies barriers that impact a family's ability to engage in services and helps to remove those barriers
- Conducts follow-up interviews with participating families and documents their feedback

There are multiple ways to enroll a child into the CARE Program:

 Complete the intake form here: https://www.surveymonkey.com/r/CAREIntakeForm
 2. Scan the QR Code
 3. Call the CARE Line

Call the CARE Line: 888-495-7271

Covid Concerns

Please call the health office if your student or anyone in the home has potential symptoms of Covid and are considering a test OR if you have a pending test. We can help you determine whether or not your student should attend school.

Please report any positive students as soon as possible to our **NEW COVID HOTLINE:** (812) 542-2270.

You can call the nurse at (812) 981-7653 or email at anestor@nafcs.org if you have any questions.

We appreciate all you do to help keep our Tigers safe!

-Allison Nestor, RN

A note from your school nurse: Allison Nestor, RN

Flu season is here!! Get your Flu shot now!! And everyone needs to practice healthy habits to stay well. Besides eating nutritious foods and getting enough rest, hand washing is one of the best ways to prevent the spread of germs at home and school. Please remind your children to wash their hands with warm, soapy water before eating, after using the restroom and anytime they blow their nose or sneeze. **If your child does become ill, please keep him or her at home until they are free of fever for 24 hours without the aid of medication (Tylenol/Ibuprofen). A temperature of 100.4 or higher is considered a fever.** If your child tests positive for Covid-19 please contact the hotline at **812-542-2270** for further instructions. Students should also remain at home for recent vomiting or diarrhea (3 or more loose stools in 24 hours). Students diagnosed with strep throat should stay home until they have been on antibiotics for 24 hours. This helps prevent the spread of illness. Always call your healthcare provider if the symptoms have not improved after a few days. Thank you!
