A Note From Mr. Hughes:

Next week (May 8th – 12th) is Teacher Appreciation Week. A big thanks to our awesome Mt. Tabor teachers for all of their hard work and efforts in the classroom. Our PTO has some special things planned to celebrate our awesome teachers and staff.

Progress reports were sent home with your child on Thursday, May 4th. The fourth quarter ends on May 31st. Please contact your child's teacher if you have any questions or concerns about your child's progress.

Work continues on our new inclusive play area. Workers started assembling the play equipment last week. It is going to be very nice when finished. Some additional playground improvements and updates are in the planning stages, so stay tuned. The last day of school Wednesday, May 31st. Have a great Derby weekend!

Mr. French's Corner

To finish the year, we will focus on tips to help prevent summer learning loss. On average, students lose 17-34% of what they learned during the school year. The good news is you can help to prevent some of that learning loss with just a few small activities each day.

Tip #3-Limiting screen time is always a challenge. However, finding educational game and activities online can be very beneficial for students.

FAR EAST JUNGLE

Find them! Spiders and balloons?
You'll spot them very soon!

Health Office Notes:

Pants Donations Needed

The Health office is need of boys and girls pants size 7-16.

We do NOT need any shirts or shorts at this time.

Thank you in advance for your donations.

Covid Concerns

Please call the health office if your student or anyone in the home has potential symptoms of Covid and are considering a test OR if you have a pending test. We can help you determine whether or not your student should attend school.

Please report any positive students as soon as possible to our **NEW COVID HOTLINE: (812) 542-2270.**

You can call the nurse at (812) 981-7653 or email at anestor@nafcs.org if you have any questions.

We appreciate all you do to help keep our Tigers safe!

A note from your school nurse: Allison Nestor, RN

Flu season is here!! Get your Flu shot now!! And everyone needs to practice healthy habits to stay well. Besides eating nutritious foods and getting enough rest, hand washing is one of the best ways to prevent the spread of germs at home and school. Please remind your children to wash their hands with warm, soapy water before eating, after using the restroom and anytime they blow their nose or sneeze. **If your child does become ill, please keep him or her at home until they are free of fever for 24 hours without the aid of medication (Tylenol/Ibuprofen). A temperature of 100.4 or higher is considered a fever.** If your child tests positive for Covid-19 please contact the hotline at **812-542-2270** for further instructions. Students should also remain at home for recent vomiting or diarrhea (3 or more loose stools in 24 hours). Students diagnosed with strep throat should stay home until they have been on antibiotics for 24 hours. This helps prevent the spread of illness. Always call your healthcare provider if the symptoms have not improved after a few days. Thank you!
