Attendance Policy

The New Albany Floyd County Consolidated School Corporation requires that students attend each day that school is in session. Each day of school is part of a sequential learning process, so missing even one day impacts your child's learning.

Children should not arrive at school before 7:40 a.m. unless special arrangements have been made with the office.

School officially begins at **8:00 a.m.** All children: car riders, walkers, bus riders (regular or special needs) should report to their designated area in the morning. Car riders must be dropped off and picked up at the car rider door (Door #17). If parents are picking up students early for a medical appointment or for early release, they must sign the student out by 2:00 p.m. This will be counted as an early release tardy. Dismissal starts at 2:17 p.m. We realize on occasion there will be extenuating circumstances when parents will not be able to pick up their child on time, but all children should be picked up no later than 2:40 p.m. If you are not able to pick your student up by 2:40 please notify the school office.

Release of School Children during the School Day

1. Children will not be released directly from the classroom. They must be released from the office.
2. Children are not permitted to meet their parents outside the school building. They must be picked up at the Welcome Center (Door #1)
3. If you designate someone to pick up your child that is not listed in Power School please give him/her written permission so we will know we have your approval. **They must provide us with a picture I.D.**
4. Children will not be released to anyone other than a parent or guardian unless we have permission from the parent or guardian.
5. If your child plans to ride a different bus or stay overnight with someone, please notify your child's teacher and the bus driver in writing (phone calls cannot be taken for this purpose unless it is an emergency.)
6. Instruct your child to refuse rides with strangers.
7. If you plan to pick up your child for lunch, please write the teacher a note, check with the office when you arrive (students must be released through the office) and observe closely the 30-minute lunch period by having your child back to school promptly.
8. If you plan to pick up your child before dismissal, it will be counted as an unexcused tardy. It will affect your child's attendance the same as a tardy. If the early pick up is due to a doctor or dental appointment, a written doctor's excuse is required for the unexcused early dismissal to be changed to an excused early dismissal.

Parents should try to schedule medical, dental and other appointments at times outside of school hours.

Reporting Absences to School

Parents are to notify the school office of a student's absence. When reporting the absence please use the attendance line (812) 542-7302 and provide complete information as to child's name, teacher, and the reason for the absence. Please contact your child's teacher directly regarding any missed school work. If a phone is not available, a note should be sent to the office with a sibling or with the student on the day he/she returns to school. Failure to contact the school office with information regarding the student's absence will result in the absence being marked as unexcused.

Doctor, dental and other appointments should be scheduled after school hours whenever possible. If unavoidable, please notify the office and have the child attend classes both before and after the scheduled appointments. A physician's statement of diagnosis may be required for an absence or extended absences. After ten days absence, a doctor's statement is required each time a student is absent for the remainder of the year. A statement from a licensed medical professional documenting an absence may allow an unexcused absence to be changed to an excused absence.

If one or more of the following occurs, your child will be sent home: temperature of 100.4 or higher, vomiting, severe pain in the chest or stomach, fainting, live lice is found in hair, and/or injury. Please have two current emergency contacts listed on your child's enrollment form. Please notify the school office immediately if this information changes during the year.

Excused Absence-Definition

Absences for the following reasons will be considered as excused absences:

- Illness that involves fever, vomiting, injuries, or situations when a physician recommends the students be absent from school. The reason for the absence is to be reported to the school office.
- Death of immediate family member
- Medical or dental appointments which cannot be scheduled outside the school day (a written doctor's statement is to be given to the school office)
- Religious holidays
- Court ordered absences
- Other unusual circumstances when approved by the principal and requested in advance of the absence.
- Travel for a limited time period involving new educational experiences for a student, which is requested on an infrequent basis by parents or guardian at least one week in advance of the proposed absence. Letters should be submitted to the school principal, not the classroom teacher.

Unexcused Absence-Definition

Absences for the following reasons will be considered as unexcused absences:

- "Long weekends" and vacations without **prior** approval
- Moving days (change of residence)
- Transportation problems
- Medical or dental appointment without a doctor's written statement
- Appointments for non-essential activities such as haircuts, shopping, etc.
- Extended absences for head lice treatment

Tardy to School-Definition

Students who arrive at school after 8:00 a.m. are considered tardy. Those who arrive after 8:00 a.m. are to report to the Welcome Center (Door #1) to obtain a pass that will permit them into the classroom. **The student's parent or guardian MUST bring the child into the Welcome Center and sign in at the office** indicating the reason the student is tardy. The tardy will be documented in the office.

Excused tardies are those that are verified in writing by a medical professional, counselor, etc. or those that have been approved by the building principal due to extenuating circumstances.

Early Departure-Definition

Request to release children from school prior to 2:00 p.m. creates a disruption to the learning environment. Excused early departures are those departures that are verified in writing by a medical professional, counselor, etc. or those departures approved by the building principals for extenuating circumstances. Early departures will be recorded as tardies.

If early dismissal is unavoidable, please follow this procedure:

- Send a note to your child's teacher including the date, time, and reason for early dismissal.
- Report to the office at the designated time. Your child will be called to the office when you arrive.
- Parents must pick students up by 2:00 if signing them out early.

Procedure for Dealing with Excessive Absences, Tardies, or Early Departures

If a student obtains **ten unexcused** absences, tardies, or early departures, which results in a negative impact on the student's academic achievement, a referral will be submitted to Child Protective Services as is required by Indiana state law. Referral documentation includes:

- Evidence that the school has communicated attendance concerns to the parents
- Letter sent at 8 unexcused absences
- An academic impact statement including grades and performance concerns
- Attendance records

Anti-Bullying

(a) Bullying is **prohibited** by the School Corporation. Students who commit any acts of bullying are subject to discipline including but not limited to suspension, expulsion, arrest, and/or prosecution.

(b) Definition: "Bullying" is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile school environment that:

- (1) places the targeted student in reasonable fear of harm to his or her person or property;
- (2) has a substantially detrimental effect on the targeted student's physical or mental health;
- (3) has the effect of substantially interfering with the targeted student's academic performance; or
- (4) has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the school.

Bullying does **not** include:

- participating in a religious event;
- acting in an emergency involving the protection of a person or property from an imminent threat of serious bodily injury or substantial danger;
- participating in an activity consisting of the exercise of a student's freedom of speech rights;
- participating in an activity conducted by a nonprofit or governmental entity that provides recreation, education, training, or other care under the supervision of one (1) or more adults;
- participating in an activity undertaken at the prior written direction of the student's parent; or
- engaging in interstate or international travel from a location outside Indiana to another location outside Indiana.

(c) Applicability: The School Corporation prohibits bullying in all forms. This policy may be applied regardless of the physical location in which the bullying behavior occurred, whenever the individual committing the bullying behavior and any of the intended targets of the bullying behavior are students attending a school within the School Corporation and disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others to a *safe and* peaceful learning environment. The School Corporation prohibits bullying through the use of data or computer software that is accessed through any computer, computer system, or computer network.

(d) Education: All students in grades K-12 will be provided age appropriate instruction focusing on bullying prevention.

(e) Reporting: Anyone who believes that a student has possibly been or is the victim of bullying is encouraged to **immediately** report the situation to an appropriate staff member such as a teacher, school counselor, or administrator (including the Superintendent). All staff who observe or receive a report of suspected bullying shall **immediately** notify a designated school administrator in charge of receiving reports of suspected bullying. If a staff member does not know who to make a report to, he or she should report directly to the building principal or Superintendent. Bullying reports to the Department of Child Services and/or law enforcement must be made as required by law, such as when a staff member believes that a student is the victim of abuse or neglect. Any person who makes a report of bullying and requests to remain anonymous will not be personally identified as the reporter or complainant to extent permitted by law. The School Corporation will act appropriately to discipline staff members who fail to initiate or conduct an investigation of a bullying incident and for persons who falsely report an incident of bullying.

(f) Investigation: Once a report of suspected bullying is received by the designated school administrator, an expedited investigation shall follow. The investigation should be facilitated by the designated school administrator or other appropriate school staff. Information relating to the investigation will be gathered using means including, but not limited to: witness interviews, request for written witness statements, record identification review, and an assessment of whether bullying occurred. The investigation will be initiated within one (1) business day of the report to the designated school administrator and will ordinarily be completed within thirty (30) calendar days.

(g) Intervention/Responses: If a report of suspected bullying is substantiated through an investigation, then the School Corporation shall take appropriate intervention and responses as consistent with policy and procedure. The School Corporation will take prompt and effective steps reasonably calculated to stop the bullying, remedy the bullying, and prevent the bullying from recurring. Interventions and responses include, but are not limited to: separating the bully and the target; follow-up school counseling for the target; bullying education for the bully; and prompt

disciplinary action against the bully. These steps should not penalize the target of the bullying. Disciplinary actions against the bully may include, but are not limited to: suspension and expulsion for students; discharge for employees; exclusion for parents, guests, volunteers, and contractors; and removal from any office for governing body members. Also, if the acts of bullying rise to the level of criminal offense the matter will be referred to law enforcement.

(h) Parental Involvement: Parents are encouraged to be involved in the process of minimizing bullying. Parents should report suspected acts of bullying to an appropriate school official. In addition, parents of students suspected of bullying will be notified with a phone call or through other appropriate means of communication. Conversely, parents of students suspected of being the target of acts of bullying will also be notified with a phone call or through other means of appropriate communication. Parent notifications will occur in an expedited manner within one (1) business day after the designated school administrator receives the report of suspected bullying. Parents of students who are disciplined for acts of bullying will be involved in the disciplinary process consistent with the law and the School Corporation policy.

Before and After School Child Care

The New Albany-Floyd County Schools will be providing a school-age before/after school child care program this school year. The child care program is sponsored by the YMCA from dismissal time until 6:00 p.m. on school days. Before school child care begins at 6:30 a.m. each day. Subsidies are available to working families who are financially eligible. Fees are subject to change. Registration forms will be available from the school office prior to the start of school. Questions should be directed to the YMCA at 812-206-0688 or ymcalouisvillechildcare.org.

Bus Safety

Be sure that your child knows how he or she is to leave school at the end of the day. For example, if he or she is a bus rider, please make sure he or she knows what bus they are to ride. If for any reason your child has to ride a bus other than their regular bus or wants to ride a bus to go to a friend's house, you must send a note stating all necessary information. **Your child and their friend both must have a note from parents.**

Student safety is always a concern at Mt. Tabor. Bus procedures and rules are enforced to keep all students safe. Mt. Tabor has 4 simple procedures/rules for bus riders to follow:

- Students must be seated.
- Keep hands and feet to yourself.
- Speak quietly and kindly to others.
- Follow the bus driver's directions.

If you plan to pick up your child during the school day, please send a note to the school informing us of your plans and then stop by the Welcome Office at front door to sign the sign in/out sheet. Any changes in transportation must be in writing. We ask that the note is dated and given to the office staff. **Phone calls are accepted in emergency cases only.** If it is a permanent change, you must complete a new dismissal form.

Cell Phones/Electronic Devices

Cell phones and other electronic devices are prohibited at school. If a child comes to school with a cell phone or electronic device, he/she will be asked to keep the device in his/her backpack. If the

device is out a second time, the device will be kept in the office and sent home with the child at the end of the day. If the device is out a third time, the device will be confiscated and kept in the school office until parent is able to pick it up. We are not responsible for these items, if they are brought to school, and are lost, broken, or stolen. Cell phones and electronic devices should not be brought to school.

Class Celebrations

Every class will have three class parties: fall, winter, and Valentine's Day. The amount of assistance needed for the parties is up to the classroom teacher. PTO room parents may be asked to help organize the party. Treats for class parties must follow the following guidelines:

- All treats must be store bought with a nutritional label with ingredients
- Parents must contact the teacher and get permission in advance to bring in appropriate treats
- Teachers will let parents know if something is not appropriate because of food allergies, diabetes, and health concerns in their classroom
- Please be mindful of food allergies, diabetes, and health concerns when sending in treats
- Pencils, pens, stickers, erasers, etc. are always a good alternative treat to share with classmates.

We celebrate your child's birthday by announcing his/her name during morning announcements and presenting them with a birthday pencil. Balloons, flowers, and other deliveries cannot be sent to the school because this is a disruption of instructional time and problem at dismissal. Treats are NOT to be sent to school for a child's birthday celebration unless you have permission from the teacher and they meet the guidelines above.

Invitations to birthday parties and other outside of school events cannot be distributed at school unless every student in the classroom is invited.

Computer Policy - Hacking

If a student is found **hacking** (not following instructions on computers or making inappropriate use of computers) whether this causes damage to the machine or software, or causes a problem or inconvenience to others, the consequence will be determined by the teacher or principal. A second offense may result in losing **all computer privileges** for a period of time to be determined by the teacher or principal.

Criminal History Check

All adults volunteering in classrooms or chaperoning on field trips must have a current criminal history check on file in the Mt. Tabor Office. This form is available at registration and from the school office. Return the completed form to the school office. Forms must be submitted at least five business days prior to the field trip or volunteering at school. If the limited criminal history check comes back as inconclusive then a more intensive history check is required. There is a fee charged for this type of criminal history check and it requires being fingerprinted.

Emergency Drills

All schools are required by state law to conduct the following drills:

- Fire drills. One per month.
- Intruder. One drill per semester
- Severe Weather (tornado) One drill per semester

The purpose of these drills is to teach children how to respond in a rapid, orderly, and safe manner in emergency situations. Students are required to cooperate fully and in a serious manner. Proper behavior is expected at all times to ensure the safety of everyone.

Field Trips

Field trips are determined each school year by our central office. Funding for field trips is provided by The New Albany-Floyd Co. Education Foundation. Teachers will supervise trips. The need and the number of chaperones is determined by the teacher.

Food Services

A nutritious breakfast and lunch program is available at Mt. Tabor. Money can be added through to a child's lunch account online through mypaymentsplus.com. When your child's account is low, a note will be sent home from food services.

Students have a choice of different entrees, fruits and vegetables. Milk is available for purchase for those students that bring their lunch. Applications for reduced price or free lunches for eligible students are available online through the New Albany-Floyd County website. Students may bring their own lunches, although we ask that they do not bring glass containers. Soft drinks are prohibited.

If you plan to eat lunch with your child at school, please eat in the upstairs Café by the office. Please send a note to your child's teacher and your student will meet you. If other students are joining your child, plans must be made in advance and all students must have a note from home. The café may be closed on occasion for special events.

Cafeteria Expectations:

- Sit at assigned tables
- Talk quietly with others at your table
- Raise your hand to ask for help
- Walk safely

Food Services: Student Meal Accounts

The National School Lunch Program (NSLP) requires school food authorities to establish written administrative guidelines and procedures for managing student meal accounts. It is the parent's/guardian's responsibility to provide the means for their child to be properly fed and ready to learn. In order to do so they should: provide the money for the child/children to purchase a school meal, complete the free/reduced meal application to determine if they are eligible for assistance or send a meal from home.

MyPaymentsPlus:

All parents/guardians are required to open an online MyPaymentsPlus account to manage their child's meal account. MyPaymentsPlus is an online secure and convenient way to monitor purchases, make payments, and receive their personalized low balance notifications regarding their child's school meal account. Log on to www.MyPaymentsPlus.com

Meal Payments:

All cafeteria purchases are to be prepaid before meal service begins. Payments can be made two ways:

1. MyPaymentsPlus: Log on to www.MyPaymentsPlus.com
2. Prepay at School: Parents can make advance meal payments by sending checks to school. Checks must contain the student's name and PIN number. Make checks payable to your child's school.

Meal Charge Policy:

Go to www.NAFCSnutrition.com for full details of "Charge Policy".

The New Albany Floyd County Consolidated School Corporation recognizes that on rare occasion, students may forget to bring money to school for meals. Charging can be embarrassing to the students. Students and adults are expected to pay daily or in advance for all food purchases. Unpaid debts are disallowed by Federal School Nutrition Program Regulations; accordingly, unpaid debts must be collected and paid to the School Food & Nutrition Program.

Emergency Meals:

An emergency meal is necessary when a student wants a meal but does not have money to pay for it. Please refer to the Meal Charge Policy for details on access to Emergency Meals.

Refunds:

Money will only be refunded from accounts to parents upon written request. Go to www.NAFCSnutrition.com for guidelines. Print the "Refund Meal Account" form and submit to the school Food & Nutrition Manager.

Home Practice

Home practice is practicing the skills learned at school and is a foundation skill that must be developed. Students will have home practice most school nights – see the Home Practice Policy below. Please encourage your child to read and practice math facts every day.

New Albany-Floyd County School Corporation Home Practice Policy

Philosophy: Educators and parents want to ensure the success of all students. Therefore, a clear policy for assigning and completing Home Practice is important. Home Practice gives students opportunities to extend classroom learning and practice skills while developing self-discipline and study habits that will benefit them in school and beyond.

Students, parents, teachers, and administrators must work together to share responsibility for student success. Home Practice is a valuable, relevant, and positive part of the instructional program. The New Albany-Floyd County Consolidated School Corporation encourages students to complete Home Practice assignments at the elementary, middle, and high school levels. A rule of thumb for how much time should be spent on home practice is 5 minutes per year of age:

Examples:

- 5-6 years (1st grade) 25-30 minutes
- 11-12 years (6th grade) 60 minutes
- 17-18 years (12th grade) 90 minutes

Objectives for Home Practice

1. Students will gain practice and application of knowledge and skills.

2. Students will learn responsibility and time management skills.
3. Home-school cooperation and communication will promote educational growth.
4. Students will be in contact with out-of-school learning resources.

Student's Role

1. Always clarify any questions you may have before leaving the school or class. Writing down assignments help you remember.
2. Take home all needed books and materials for the assignment.
3. Set aside enough time to finish assignments.
4. Find a place to work where you can focus on the assignment without distraction.
5. Check your completed assignment for accuracy.
6. Return assignments on time.

Principal's Role

1. As an instructional leader, the principal has an important role in home practice policy implementation.
2. Lead the school staff, students, and parents in identifying building level home practices.
3. Communicate the district policy to teachers, parents, students, and the community.
4. Encourage homework that reinforces concepts and benefits students.
5. Assist parents and teachers if problems with homework occur.
6. Evaluate and revise homework practices as needed.

Teacher's Role

1. Teachers make appropriate assignments by:
2. Coordinating home practice with instructional goals to reinforce classroom instruction.
3. Providing clear directions for home practice completion.
4. Explaining the method for evaluation.
5. Assuring that assignments are reasonable and the time required is appropriate.
6. Notifying parents if a student consistently fails to complete assignments.
7. Respecting the needs for students to participate in other activities.
8. Communicating homework practices to parents.

Parents' Role

1. Parents' cooperation and attitude make a great difference in their children's effort toward home practice. Parents can help their children by:
2. Providing a quiet place to study.
3. Establishing a regular home practice time.
4. Encouraging their child to ask for help.
5. Communicating with teachers when their child has consistent difficulties.
6. Encouraging quality work and completion of tasks while recognizing their best efforts.
7. Insisting child does his/her home practice while providing encouragement and assistance.

Health Services

A full-time school nurse and part-time health assistant oversees the health services offered at Mt. Tabor. Several staff members have been trained in First Aide/CPR in the event that the school nurse or health assistant is not available. There is also an AED device on-site. In case of illness or injury, a child will be cared for by a trained member of the school staff. If your child has a health concern, please include this information on your child's health history information or notify the school as soon

as possible. This information remains confidential and is shared with school personnel only on an as-needed basis. If emergency medical treatment is necessary, the parents will be contacted. If parents are not available, the child will be taken to the hospital by ambulance at the parents' expense.

Remember, an emergency telephone number where parents can be reached must be on file and is vital in reaching parents in the case of an emergency.

Medications at School

1. A "Request for Administration of Medication" form must be signed and dated by the doctor and parent/legal caregiver. This written request must be on file in the school office before the medication, prescription or over-the-counter, will be administered by the staff. The request must contain the student's name, name of the medication, dosage, and time to be given. The form must be renewed at the beginning of each school year or if the medication changes during the school year.
2. A student may be authorized to possess and self-administer medication for a chronic or acute disease or medical condition if the medication is necessary in an emergency situation. The section of the medication form entitled "Possession and Self-Administration of Emergency Medication Authorization/Approval" must be signed and dated by the doctor and parent/legal caregiver.
3. The medication must be furnished to the school by the parent/legal caregiver on a daily basis. Any exception to this daily dosage requirement must be approved by the principal after consultation with the school nurse. The exception will be limited to a one (1) school week's supply of the medication and must be brought to school by the parent/legal caregiver, or by another arrangement approved in advance by the principal. The medication must come to school meeting the requirements listed in #5 below.
4. All nonprescription medication must be in the original container and be clearly labeled with the child's name.
5. All prescription medication must be in the pharmacy labeled bottle or packaging with the following information:
 - Prescription number
 - Child's name
 - Doctor's name
 - Name of medication
 - Dosage
 - Time to be given.
6. All medication brought to school for administration by staff will be kept in a locked container (unless needing to be secure but accessible for emergency use).
7. School nurses will provide instruction/training as needed to those staff members who dispense medication to students.
8. Non-medicated lip balms and up to 2 cough drops per day (with parent note) is allowed without a doctor's statement.

Routine Illness and Returning to School

Students should not come to school if they are experiencing any of the conditions mentioned below. If at school, students will be sent home from school for the following reasons *and require a doctor's statement for readmission:*

1. Reddened eye(s) with possible drainage, matting, or discomfort.

2. Recurrent or persistent skin infections – including scabies.
3. Unexplained or undiagnosed rash.
4. Injury involving documented loss of consciousness.
5. Untreated drainage from skin.

Students should not come to school if they are experiencing any of the conditions mentioned below. For each condition marked with “*”, see #6 for additional details. If at school, students will be sent home from school for the following reasons:

1. *Temperature of 100.4 or over. Students must be fever-free for 24 hours *without the aid of fever-reducing medication such as Tylenol/Ibuprofen* before returning to school. See #6.
2. Temperature of 96.5 or lower.
3. Lice (pediculosis) – Students will be sent home if live bugs are found. If a student has nits, he/she may remain at school for the day but should be treated before returning to school. According to New Albany-Floyd County School Board Policy, classroom head checks will not be done.
4. *Vomiting. Student must be free of vomiting for 24 hours before returning to school unless documentation has been provided to indicate an underlying, non-contagious cause. See #6.
5. *Diarrhea. Student must be free of diarrhea for 24 hours before returning to school unless documentation has been provided to indicate an underlying, non-contagious cause. See #6.
6. During periods of community spread respiratory illness such as COVID-19, guidelines for being excluded from school and returning to school may be extended and include additional symptoms. Input will be taken from the Floyd County Health Department, NAFCS medical advisor and the Indiana Department of Health.

Severe Allergies at School

If your child has a potentially life threatening allergy to food, insect sting, latex, or other allergen, please be sure to have your child’s health care provider complete an Allergy Action Plan for your child and provide the school with an EpiPen/autoinjector. A school nurse or other trained school employee may give the EpiPen/autoinjector according to the directions on the Allergy Action Plan.

If your child has an allergic reaction for the very first time at school and has never been diagnosed with an allergy. New Albany Floyd County school nurses are prepared to handle these potentially life threatening allergic reactions as well. If your child experiences a life threatening allergic reaction at school that involves severe swelling of lip, face, tongue, or throat, severe difficulty swallowing or breathing, or unconsciousness, 911 and a parent will be notified. A school nurse or trained school employee under the direction of a school nurse may use a lifesaving medication called an EpiPen/autoinjector according to orders from the medical advisor. If you do not want your child to receive the life saving measure of medication, please contact your school’s nurse in writing.

Health and Wellness in the Classroom

According to the NAFCS Wellness Policy, all foods that are provided, not sold, to students on the school campus during the school day, must comply with the current USDA Dietary Guidelines for Americans and the USDA Smart Snacks in School nutrition standards (<https://foodplanner.healthiergeneration.org/calculator/>). Individual school buildings are allowed up to three (3) exemption days from this policy for the purpose of classroom parties. Each building will independently decide the three (3) days in which food may be served (provided) that do not comply with the USDA guidelines. However, schools are encouraged to serve water and provide fruit or vegetable options as part of the celebration. All food items for parties or celebrations must be store-bought and have a label that includes ingredients, allergens, and carbohydrate counts. If classroom

birthday celebrations are allowed, non-food items such as a classroom book, bouncy balls, party favors, or pencils rather than food items are encouraged.

Immunizations

A number of immunizations are required by state law for students admitted to public school. Evidence of receiving these immunizations or a letter of medical or religious objection is required before starting school. Your child could be excluded from attending school with other students if the required proof of immunizations or objection is not given to the school.

Meningococcal Disease

Indiana law requires each year that parents/guardians be informed “about meningococcal disease and its vaccine” (IC 20-30-5-18). Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage, and limb amputations.

Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that cause meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately, there is an immunization available and the U.S. Centers for Disease Control and prevention recommends routine meningococcal immunizations at 11 to 12 years old (prior to starting 6th grade), with a booster dose at 16 years old (prior to starting 12th grade). The meningococcal vaccine is required for 6th-12th grade students to attend school.

Health and Extracurricular Activities

New Albany-Floyd County Schools offers nursing services during school hours. However, a school nurse or health aide is not in the building after school hours. If your child has a medical condition requiring nursing care or a specialized care plan and intends to participate in any before or after-school activities, sports, or the YMCA childcare program, please notify your school nurse. Many agencies use our school buildings for student activities but do not have access to your child’s health information or training on how to handle health concerns.

Your school nurse can help you know what steps need to be taken to keep your child safe and healthy outside of the normal school day. For activities that are not school-sponsored (such as YMCA before-/after-school care, After School Rocks, and elementary sports) parents are responsible for communicating a child’s health needs to the program director and providing any necessary medication/treatment to care for the child.

Lost And Found

Children will lose personal items during the school year. When a lost article is turned in, we put it in the lost and found located in the library. If the lost article is not claimed after a reasonable time, it is either discarded or given to a local charity. Generally, lost articles are kept for about six weeks before disposal.

Parent Teacher Conferences/Report Cards

The best progress for your child demands a close line of communication and understanding you and your child's teacher. This can be realized best through individual parent-teacher conferences that may be initiated by either the parent or the teacher. It is best if the conferences are set up by appointment. Fall Parent Teacher Conferences will be held in November. Anytime you have questions or concerns about your child's progress please contact your child's teacher.

Report cards are sent home with students at the end of each grading period, except the final report card that is sent by U.S. Mail. Progress reports are sent midway through each grading period. Parents should sign the report card and return it to school in a timely manner. Concerns regarding a student's grade(s) should be discussed with the child's teacher.

Personal Appearance

Dressing appropriately for the school setting and weather is important. Clothing with inappropriate or vulgar language will not be tolerated. No spaghetti straps, bare midriffs or short shorts are allowed. Parental cooperation is a must and we will cooperate with you so that your children are well dressed and a credit to our school. Hats, scarves, and sunglasses worn inside the school are distracting and are not allowed. Drawings on clothing that distract from the educational process are not permitted. No non-natural hair color. Please see the Student Guide (New Albany Floyd County School) for further information on student dress.

Pets At School

Pets and animals are not allowed at school. This poses a health and safety risk to all students.

Physical Education

P.E. is an important part of your child's educational program, both for the physical exercise and the social interaction. Students should have proper attire (clothing and tennis shoes) for P.E. If your child must be excluded from recess, please send his/her teacher a note stating the reason he/she should not participate.

Protection of Public and Personal Property

This school is public property, and as such it is in the best interest of all residents to maintain it in excellent condition. We need the cooperation of all children who attend to respect and care for the building. Care of personal property is an ever-present problem as it is stolen, lost, damaged, or misplaced. We expect each child to be responsible for his/her own belongings.

Clothing (especially coats) should be marked with the child's name. A child should never carry amounts of money more than necessary for the school day.

PTO (Parent Teacher Organization)

PTO (Parent Teacher Organization) does many things to support our students, teachers, and staff throughout the school year. The PTO meets regularly during the school year. All families are invited to be part of our PTO.

Recess

Recess is an important part of the student's day, both for the physical exercise and the social interaction. If your child must be excluded from recess, please send his/her teacher a note stating the reason he/she should not participate. We will be going outside as often as possible during the winter months; we will not go out in freezing weather. Therefore, please make sure your child has outer garments for these times. Also, if you do not want your child to go outside because of some medical reason, please send us a note specifying the reason and the time period he/she should be kept in the building. Our health aide may contact you if he/she has a concern.

Safe School Hotline

The hotline is available for parents or community members to leave information concerning possible safety threats without leaving their names. The information is forwarded to a central office administrator and/or the school principal for investigation. The number to call if you have concerns regarding safety at school is 1-800-418-6423 ext. 359. This number service works the same for all schools in New Albany-Floyd County. Concerns may also be sent using the anonymous alert link on the NAFC website, www.nafcs.k12.in.us.

School Insurance

Accident insurance is provided for students for those who pay the premium. The premium is returned to the school. The options provided are school time and 24-hour coverage. It should be noted that because the cost of the premium is being kept low, such a policy would not cover all costs incurred in an accident. Please take the time to carefully read the policy summary. Additional information including an application form is available on the school district's website.

School Pictures

A professional studio takes individual school pictures each fall. Picture retakes will also be taken during the school year. We will also offer spring picture packets.

NAFCS District Policies and Guidelines

PREAMBLE

The New Albany-Floyd County Consolidated School Corporation recognizes: (a) that education is a basic citizenship right; (b) that students have full rights of citizenship as delineated in the U.S. Constitution and its amendments; and (c) that citizenship rights must not be abridged, obstructed, or in other ways altered, except in accordance with due process of law.

Just as in our democratic society at large, the foundation and success in public school education depends on the balance of individual rights and individual responsibilities. Certain standards of student conduct are necessary to assure that individuals seeking to express their rights do not at the same time infringe upon the rights of others. Self-discipline, which comes from understanding this balance of rights and responsibilities, is essential in any democracy. The schools believe that self-discipline is promoted not only through instruction about our representative form of government, but also through practicing democracy in the schools, in the home, and throughout the community.

Those enjoying the benefits of citizenship in the school community must also accept the responsibilities of school citizenship. A democratic school must have rules and regulations just as must the larger democratic society. It is the responsibility of students, parents, educators and the community to work to establish rules and regulations which promote the best possible learning environment for all those involved in the educational process. Not only should the school environment provide equal opportunity for all, it should also permit the teaching-learning process to proceed in an orderly manner.

In an effort to create a more democratic school society, the Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has outlined some of the basic rights and responsibilities which will allow self-disciplined students to better govern themselves within the total school environment. These policy statements made by the Board of School Trustees are summarized below under eight main headings: (I) Basic Rights and Responsibilities of Students, (II) Enforcement of Rules and Regulations, (III) Procedure for Handling Suspensions and Expulsions from school, (IV) School Safety Policy, (V) Driver's License Policy, (VI) School Bus Safety Code, and (VII) Telecommunication.

As set out in Indiana law, I.C. 20-33-8, in all matters relating to the discipline and conduct of students, School Corporation personnel stand in the relation of parents and guardians to the students of the School Corporation. Therefore, School Corporation personnel have the right, subject to Indiana law, to take any disciplinary action necessary to promote student conduct that conforms to an orderly and effective educational system. Students must follow responsible directions of school personnel in all educational settings and refrain from disruptive behavior that interferes with the educational environment.

I. BASIC RIGHTS AND RESPONSIBILITIES OF STUDENTS

1. Freedom of Speech and Assembly

- a. Students are entitled to express their personal opinions verbally as long as such opinions do not interfere with the freedom of others to express themselves. Students may not use lewd, vulgar, indecent or offensive speech, or engage in lewd, vulgar, indecent or offensive conduct while participating in, or present at, any school activity or any school sponsored extracurricular activity.
- b. Students have the freedom to assemble peacefully. There is an appropriate time and place for the expression of opinions and beliefs. Conducting demonstrations which interfere with the operation of the school or classroom is inappropriate and prohibited. All student meetings in school buildings or on school grounds may function only as a part of the formal educational process or as authorized by the school principal. The use of obscenities or personal attacks is prohibited. Violence, threats of violence and possession, use or threatened use of weapons are prohibited.

2. Freedom to Publish

- a. Students are entitled to express their personal opinions in writing, as long as they do not use lewd, vulgar, indecent or offensive language in such writing.
- b. Students may edit, publish, and distribute printed, handwritten, or duplicated matter among their fellow students within the schools. Students must assume the responsibility for the content of such publications or handwritten opinions. The distribution of such material must not interfere with, or disrupt, the educational

process, learning environment, or endanger the safety of student and employees. Such material must be signed by the authors. Libel, obscenities, and personal attacks as well as lewd, vulgar, indecent and offensive language are prohibited in all material written, edited, published, or distributed by students in school, on school grounds, at any school sponsored functions, or at any time while under the supervision of school personnel.

- c. Other than a general search of student lockers or other assigned areas, any search shall be, where possible, conducted in the presence of the student whose locker is the subject of the search.
- d. A law enforcement officer with appropriate jurisdiction may, at the request of the school principal, assist the school administration in searching such a locker and its contents.
- e. The principal or designee may search the person or property (including vehicles) of a student, with or without the student's consent, whenever they have reasonable suspicion to suspect that the search is required to discover evidence of a violation of law or of schools rules. The extent and conduct of a search will be governed by the student's age, gender, and the nature of the infraction. Strip searches are prohibited.
- f. To combat escalating school violence and the potential presence of weapons in our schools, and in accordance with School Corporation policy and procedures, the School Corporation may utilize metal detectors for random and reasonable suspicion-based searches to detect firearms, knives, and other weapons.
- g. Driving to school and utilizing the school parking lot are privileges for student drivers. Any student who parks his/her car in a school parking lot consents to a search of the car if the school administration has reasonable suspicion
- h. In an effort to promote a drug-free campus and to protect the safety and health of the district's faculty, staff, and students, the district may routinely partner with the local law enforcement to conduct random searches of lockers, classrooms, and school parking lots. During those partnerships, the board has authorized the use of specially trained dogs to locate and detect the presence of weapons and prohibited drugs on school property.

4. Married Students

- a. It is the responsibility of students who are married to declare their married status at the time of marriage or at the time of enrollment in school.
- b. Married students are subject to all rules and regulations that apply to the entire student body.

This Policy applies when a student is on a school bus, on school grounds, off school grounds at a school activity, function or event and while traveling to and from school or a school activity, function or event. This Policy may also apply when a student's conduct is unlawful and may reasonably be considered to be interference with school purposes or an educational function, when such conduct occurs during weekends, holidays, school recesses, or during the summer when a student may not be attending classes or other school functions. Students who commit these acts may be suspended and may be expelled for up to one (1) school year or one (1) calendar year, as set out in Article II, below.
- b. Students are required to observe school rules and regulations and to be subject to the authority of school officials at school events, whether on or off school grounds. Students are required to be courteous and obedient in response to all reasonable orders from school personnel whether on or off school grounds.

7. Gang Activities, Clothing or Accessories

Gangs and gang related activities, clothing and accessories are prohibited on school property at all times. A "gang" is defined in this Policy as any ongoing organization, association or group of three (3) or more persons, whether formal or informal, having as one of its primary activities the commission of one or more criminal acts or violations of School Corporation rules and regulations, which has an identifiable name or identifying sign or symbol, and whose members individually or collectively engage in or have engaged in gang activities. Gang signs, symbols and membership activities are also prohibited. 12. Screening for Health Concerns and Immunizations

In the course of each school year, the School Corporation provides the opportunity for students at some grade levels, or in some programs to be screened for possible health concerns which could adversely affect a student's performance in the educational program of the School Corporation, including, but not limited to hearing and sight. If parents or guardians do not wish to have their child or ward screened for these possible health concerns because of religious beliefs, such parents or guardians must submit to the building principal a written signed statement indicating that the parent objects on religious grounds.

Students may be removed from school for failure to comply with immunization requirements (I.C. 20-34-4-5) or if the student is ill, has a communicable disease, or is infested with parasites ((I.C. 20-34-3-9).

13. Student Insurance

Unless proven negligent, the School Corporation and School Corporation personnel assume no financial responsibility for medical expenses, treatment or damages resulting from injuries sustained by students while participating in any School Corporation sponsored educational program, or practicing for or participating in athletics, or any other school activity. The School Corporation makes student accident insurance available through a commercial insurance carrier; the protection and limitations are stated in the policy. Enrollment in this student accident insurance program is voluntary. If parents decide not to enroll in the student accident insurance program, it is the parents' responsibility to provide appropriate insurance, or to assume the risk of possible financial responsibility inherent in having their child participate in any school activities. Individual schools may request that parents provide the name of the

company carrying the family's health and accident insurance, in order for school officials to have this information in cases of medical emergency.

14. Lost, Stolen, or Damaged Student-Owned Property

The School Corporation and School Corporation personnel assume no financial responsibility for lost, stolen or damaged student-owned property while such property is on the school grounds, or is being used at any school related activity off school grounds.

Before any prescribed medication or treatment may be administered to any student during school hours, the proper form completed by the student's doctor and parent/legal guardian must be completed. The medication must be furnished to the school in compliance with appropriate policy on labeling and packaging.

 - (1) the student has an acute or chronic disease or medical condition for which the physician has prescribed medication.
 - (2) the student has been instructed in how to self-administer the medication; and
 - (3) the nature of the disease or medical condition requiring administration of the medication.
- b. The authorization and physician's statement described in subsection (a) must be submitted annually.

17. Enrollment/Residence/Withdrawal

Resident students are those whose legal settlement is within the School Corporation's geographic boundary. A student's legal settlement will be determined under applicable Indiana law. A student's legal settlement will also determine the student's school attendance area within New Albany-Floyd County School Corporation. The School Corporation will accept the transfer of students who do not have legal settlement with the school corporation according to School Board Policy and Indiana law.

18. Parental Involvement/Visitor/Media

The school welcomes and encourages parental visits to school, parent volunteering, and other parental involvement in their student's education. But in order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, it is necessary to invoke visitor controls.

The Superintendent or principal has the authority to prohibit the entry of any person to a school of this Corporation or to expel any person when there is reason to believe the presence of such person would be detrimental to the good order of the school. If such an individual refuses to leave the school grounds or creates a disturbance, the principal is authorized to request from the local law enforcement agency whatever assistance is required to remove the individual.

Parents will be involved in the planning, review and improvement of the corporation's Title I programs, and timely responses will be given to parental questions, concerns, and recommendations. Information concerning school performance profiles and their child's individual performance will be communicated to parents.

19. McKinney Vento

Children who meet the legal definition of a "homeless" student (McKinney-Vento) will not be denied enrollment based on a lack of proof of residency and will be provided a free appropriate public education in the same manner as all other students of the District. Questions about enrollment of a student who may be considered homeless should be directed to Katie Stein, Licensed School Social Worker (812-542-5505) or Tony Duffy, Assistant to the Superintendent for Elementary Education.

20. ASBESTOS

An asbestos management plan is on file in the main office and is available for review by the public.

II. ENFORCEMENT OF RULES AND REGULATIONS

When self-discipline fails, regulations for management of school behavior must be enforced by those directly responsible for the operation of the schools. School staff members will make every effort, individually, collectively, and cooperatively, with appropriate available community resources, to help each student gain acceptable self-discipline standards. The Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has this legal responsibility. Authority for such action is given in the School Powers Act and the Student Due Process Statute, I.C. 20-33-8, et. seq. The Board of School Trustees has established policy in the Policy Manual of the New Albany-Floyd County Consolidated School Corporation and appointed administrative officers to carry out those Policies as amended.

1. After School Detainment

Students may be detained after school, but only for a reasonable length of time. (A "reasonable length of time" is determined by the child's age and other factors.) Unusual delays should be reported to the parent by the school by telephone if possible.

2. Restraint and Seclusion

New Albany-Floyd County Consolidated School Corporation has a plan in place for the use of restraint and seclusion, as a last resort, to control students only if there is an imminent risk of injury to the student or to another person and in emergency situations.

3. Teacher Temporary Dismissal

A teacher may dismiss a student from participation in any educational function under that teacher's charge and supervision for a period not to exceed one (1) school day, when a student interferes with the educational function of which the teacher is then in charge.

4. Suspension

A principal or designee may deny a student the right to attend school or to take part in any school function for a period of up to ten (10) school days in the following instances:

- a. When the school personnel in charge of a student consider the behavior of any student under their supervision to be so serious as to warrant the principal's attention;
- b. When the alleged misconduct constitutes a violation of any of the "Grounds for Expulsion or Suspension". The principal or designee shall provide notice and hold a conference with the student prior to the suspension. During the conference, the student is entitled to the following:
 1. A written or oral statement of the charges against the student;
 2. A summary of the evidence against the student; and if the student denies the charges, and
 3. An opportunity for the student to explain the student's conduct.

If the circumstances or the nature of the misconduct requires immediate removal, the notice and conference shall follow as soon as reasonably possible after the suspension.

Following a student's suspension, the principal or designee shall send a written statement to the parent of the suspended student describing the student's misconduct and the action taken by the principal or designee.

5. Expulsion

a. An expulsion is:

- (1) A denial of the right of a student to take part in any school function for any period greater than ten (10) school days;

- b. Generally, an expulsion will not be longer than the remainder of the school year in which the expulsion took effect if the misconduct occurred during the first semester. If the misconduct occurred during the second semester of the school year, a principal may request that an expulsion remain in effect through the following summer session and/or the first semester of the following school year.

 - f. An expulsion that takes effect more than three (3) weeks before the beginning of the second semester of a school year must be reviewed before the beginning of the second semester. An expulsion that will remain in effect during the first semester of the following school year must be reviewed before the beginning of the school year.

Such reviews shall be conducted by the Superintendent or his/her designee after notice of the review has been given to the student and the student's parent or guardian. The review is limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original expulsion meeting and may lead to a recommendation that the student be reinstated for that semester.

- g. A principal may require a student who is at least sixteen (16) years of age and who wishes to enroll after an expulsion to attend an alternative program.
- h. An expulsion for violation of the Drug and Alcohol Abuse Policy of the School Corporation (See Article V) which occurs during the first semester of a school year shall include the remainder of the school year.

III. PROCEDURE FOR HANDLING SUSPENSIONS AND EXPULSIONS FROM SCHOOL

The Board of School Trustees of the New Albany-Floyd County Consolidated School Corporation has provided a procedure for the handling of student suspensions and expulsions from school. The basic premise of this policy is fairness. A full text of the procedure required by Indiana Law is available in the Administrative Services Center, 2813 Grant Line Road, New Albany, Indiana 47150, upon request. The following is a summary of that procedure.

1. A principal or designee may suspend a student from school for a period not to exceed ten (10) school days. The principal or designee shall send a written statement to the student's parents describing the student's conduct, misconduct or violation of any rule or standard and the reasons for the action taken. The principal or designee shall make a reasonable effort to hold a conference with the parents before or at the time the student returns to school. A student may be suspended from school pending a meeting on his/her expulsion.

2. If, after an investigation, the principal or designee decides that expulsion is warranted for any student, he/she shall file a written charge with the Superintendent requesting that the student be expelled.
3. If the student has an identified disability and is receiving special education services in the School Corporation, the principal or designee will contact the Director of Student Support Services to schedule a causal relationship case conference at the time he/she submits a written charge to the Superintendent. If the case conference committee determines that no causal relationship exists, under Article 7, the principal or designee may proceed with the expulsion recommendation.
4. When a principal or designee recommends to the Superintendent that a student be expelled from school, the following procedures will be followed:
 - a. The Superintendent may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:
 - (1) A member of the administrative staff who did not recommend that the student be expelled and who was not involved in the events giving rise to that recommendation; or
 - (2) Legal counsel.
 - b. The Superintendent or the person appointed to hold the expulsion meeting may continue the suspension of a student for more than the ten (10) school days of the principal's suspension and until the time of the expulsion decision, if he/she determines that the student's continued suspension will prevent or substantially reduce the risk of:
 - (1) Interference with an educational function or school purpose; or
 - (2) A physical injury to the student, other students, school employees or visitors to the school.
 - c. An expulsion will not take place until the student and the student's parent or guardian are offered the opportunity to request an expulsion meeting conducted by the Superintendent or the person designated by the Superintendent.
 - d. The opportunity to request an expulsion meeting will be in writing, delivered by certified mail or by personal delivery and contain the reasons for the recommended expulsion and the length of expulsion recommended. For purposes of this provision, a notice of opportunity to request an expulsion meeting or notice of the action taken at an expulsion meeting is effectively given at the time the notice is delivered personally or sent by certified mail to a student and the student's parent or guardian.
 - e. Failure by a student or a student's parent or guardian to request or to appear at an expulsion meeting shall be deemed a waiver of all rights administratively to contest the expulsion.
 - f. The Superintendent or the person designated to hold an expulsion meeting may issue subpoenas, compel the attendance of witnesses, and administer oaths to persons giving testimony at an expulsion meeting.
 - g. At the expulsion meeting, the principal or designee will present information to support the charges against the student. The student, parent or guardian will have the opportunity to answer the charges against the student, and to present information to support the student's position.
 - h. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found

to be appropriate and give notice of the action taken to the student and the student's parent or guardian, by certified mail or personal delivery.

- i. In accordance with Indiana Code, a student or parent may request an appeal to the Board of School Trustees on the action taken by the expulsion examiner unless the Board of Trustees has voted to not hear any appeals. The NAFC Board of Trustees voted not to hear any appeals. The ruling of the Expulsion Examiner is final.
5. Under Indiana law, judicial review of the Board of School Trustee's action, by the Circuit or Superior Court of Floyd County is limited to the issue of whether the School Corporation acted without following the procedure required by the student due process statute, I.C. 20-33-8 et. seq.

IV. SCHOOL SAFETY POLICY

The New Albany-Floyd County Consolidated School Corporation has adopted proactive safety policy governing students who commit, attempt to commit, or threaten aggressive acts toward persons (students, employees, or visitors) or property. This policy applies when a student is on a school bus, on school grounds, off school grounds at a school activity, function, or event, and while traveling to and from school or a school activity, function, or event. This policy may also apply when a student's conduct is unlawful and may reasonably be considered an interference with school purposes or an educational function, when such conduct occurs during weekends, holidays, school recesses, or during the summer when a student may not be attending classes or other school functions. Students who commit these acts will be suspended and may be expelled for up to one school year or one calendar year, in the case of firearms violations. Students will also be referred to the probation office or the prosecutor's office as required or appropriate.

The school safety policy is implemented at each specific level of instruction (elementary, middle and high), and will not follow the student to the next level of instruction.

1. It shall be grounds for an immediate ten days suspension pending expulsion for any student to possess, handle, use, threaten to use, demonstrate the intent to use or transmit weapons, firearms, or explosives. Except in instances involving firearms, upon the recommendation of the building principal, first-time offenders may be given the option of participating in an approved educational/counseling program outside the school corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student's parents or guardians. The School Corporation may consider a reduction in the length of the expulsion upon satisfactory completion of this program.
2. A student will be expelled for a full calendar year for possessing, handling, or transmitting a firearm, as defined by Indiana law, while under the jurisdiction of the school corporation. Under I.C. 35-47-1-5, a "firearm" means any weapon that is capable of expelling or designed to expel or that may readily be converted to expel a projectile by means of an explosion. A student expelled under this provision will not be re-enrolled in the school corporation until the beginning of the semester following the end of the expulsion. The length of expulsion for possession, handling, or transmitting a firearm may be reduced by the Superintendent, if the circumstances warrant such a reduction.
3. First-time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use, or transmitted weapons, firearms or explosives shall be immediately suspended for up to

five school days. Such students shall also be required to meet with the school counselor upon returning to school.

4. The remainder of this policy notwithstanding, when a first-time offender has engaged in violent conduct or has continued to demonstrate aggressive behavior after being told by a school employee to cease and desist (students must be able to immediately demonstrate restraint and self-control) such student may be suspended for ten school days pending expulsion. The students may, upon the recommendation of the building principal, be given the option of participating in an approved educational/counseling program outside the School Corporation. The cost of such outside educational/counseling program shall be the responsibility of the student and the student's parents or guardians. The Superintendent may consider a reduction in the length of the expulsion upon satisfactory completion of this program.
5. Second time offenders who threaten or commit aggressive acts toward persons or property and who are not in possession of and have not handled, used, threatened to use or transmitted weapons, firearms or explosives shall be immediately suspended up to ten school days. Such conduct shall also be grounds for expulsion; however, an educational/counseling alternative to expulsion provided by an approved outside agency may be offered by the building principal to the student and his/her parents or guardians. If the educational/counseling alternative is offered, required documentation must be presented upon return to school.
 - a. This program will be designed to assist students in successfully managing and resolving conflicts in a nonviolent and non-aggressive manner, so that they may successfully complete school after experiencing the consequences of their violation of this policy.
 - b. If the outside educational/counseling program is chosen by the student and parents or guardians the student must attend all sessions of the program. Any cost for this program will be the responsibility of the student and the student's parents or guardians.
 - c. If the student enrolls in the outside educational/counseling program and then withdraws or otherwise fails to satisfactorily complete the program, the building administrator shall immediately resume the expulsion process for such student.
 - d. If the student or his/her parents or guardians do not choose to participate in the outside educational/counseling program, the building administrator shall immediately resume the expulsion process for such student. Such student may be referred to the Floyd County Probation Office for any appropriate action.
6. Students who threaten or commit aggressive acts on more than two occasions shall be immediately suspended for ten school days pending expulsion.
7. If a student's behavior is a criminal act, in addition to school discipline, the school will also notify the proper authorities.

 2. When a student, who is at least fourteen (14) years of age, but less than eighteen (18) years of age, is suspended for the first time in a school year, the parent and the student will be informed of the consequences of a second suspension under this Policy.
 3. The opportunity for an expulsion meeting will be offered, when a student is charged with conduct for which expulsion is recommended.

4. A student whose operator's license or permit has been denied or invalidated under the terms set out above, will become eligible for an operator's license or permit, or to have such a license or permit revalidated upon one of the following events:
 - a. The student becomes eighteen (18) years of age;
 - b. One hundred eighty (180) days after the student is suspended, or the end of a semester during which the student returns to school, whichever is longer;
 - c. Thirty (30) days after a student resumes school attendance following an expulsion.
 - d. The expulsion is reversed through the student due process procedures set out in the Student Guide; or
 - e. If 2 (d) above applies, the student in good standing has re-enrolled in school and attended for thirty (30) days.

5. When a student has been suspended twice or expelled, the student's principal will communicate the pertinent information to the Indiana Bureau of Motor Vehicles. The student's principal will, at the appropriate time as set out in subsection 5 above, provide such student the information necessary for the student's operator's license or permit to be revalidated by the Indiana Bureau of Motor Vehicles.

6. If a principal has reason to believe that a student is withdrawing from school in order to avoid a second suspension in a school year or an expulsion, the principal shall proceed with the suspension or the recommendation for expulsion and notify the Indiana Bureau of Motor Vehicles.

7. If a student less than eighteen (18) years of age withdraws from school before graduating for any other reason than financial hardship, the principal of the student's school will report the student's withdrawal under I.C. 20-33-2-21 and I.C. 20-33-2-11 and the student's operator's license or permit will be invalidated, or the student will not be eligible to receive such a license or permit. When a student seeks to withdraw, the principal will hold an exit interview and will determine the reason for the student's withdrawal. If the principal determines that the reason for withdrawal is not financial hardship, the student and the student's parent will receive a copy of the determination.

8. Nothing contained in this Policy shall limit disciplinary action under the Corporation's attendance policy for any individual instance of truancy or cutting class. The student who has been truant and the parent of such student will be informed of each truancy and the consequences of additional truantries under this policy.

9. The parent of a student charged by a principal with being a habitual truant will receive notice of such charges and may request a meeting under the provisions of the School Corporation's student due process procedures set out in the Student Guide.

10. The Superintendent acting on behalf of the Board of School Trustees, will inform the student and the student's parent of his/her determination, and if he/she determines that a student is a habitual truant, he/she will submit, to the Indiana Bureau of Motor Vehicles, the pertinent information concerning the student's ineligibility to be issued an operator's license or permit.

11. The Superintendent will provide the principal of each secondary school in the Corporation a copy of each list of habitual truants and will provide the principal of the

student's school a copy of the official determination for inclusion in the student's education record.

12. The attendance record of a student who has been found to be a habitual truant shall be reviewed by the principal of the student's school at the end of each school year during which the student is designated a habitual truant.
 - a. In reviewing the student's attendance record, the principal will decide whether or not the student's attendance has improved to the degree that the student should no longer be designated a habitual truant and should become eligible to be issued an operator's license or permit upon fulfilling all other requirements for such license or permit, and the principal shall submit a recommendation to the Superintendent on this matter.
 - b. The Superintendent, acting on behalf of the Board of School trustees, will notify the student and the student's parent of the principal's recommendation and will offer the opportunity for a meeting under the School Corporation's student due process procedures, set out in the Student Guide.
 - c. The Superintendent, acting on behalf of the Board of School Trustees, will inform the student and the student's parents of his/her determination, and if he/she determines that a student is no longer a habitual truant, he/she will submit, to the Indiana Bureau of Motor Vehicles, the pertinent information concerning the student's eligibility to be issued an operator's license or permit.
 - d. The decision of the Superintendent, under subsection C, immediately above, may be appealed in accordance with the School Corporation's student due process procedures, in the Student Guide.
 - e. If a student who has been designated a habitual truant, and who remains ineligible to obtain an operator's license or permit, withdraws from the School Corporation for any reason, the student's former principal in the School Corporation shall have no authority or duty to conduct a review of such student's attendance record; conversely, if such a student moves or transfers to the School Corporation, or to another school in the School Corporation, the principal of the school in which the student is newly enrolled shall conduct the appropriate review.
 - f. A determination that a student is no longer a habitual truant shall not cause the number of truancies to be erased for purposes of considering a charge that a student is a repeat habitual truant under this Policy.
13. For purposes of this Policy, when a student enrolls in the School Corporation and the student's attendance and disciplinary records are obtained from the student's previous school(s), the principal of the newly enrolled student shall treat such records as if the conduct of the student recorded therein had occurred with this School Corporation. Similarly, the principal shall recognize a previous school's designation or determination of truancy and habitual truancy, as well as any suspension or expulsion.

VI. School Bus Safety Code

All school children, while being transported on a school bus, shall be under supervision, direction, and control of the school bus driver, and shall be subject to the discipline of the bus driver and the governing body of the school corporation.

The following rules have been instituted for the safety and comfort of our children and the efficient operation of our bus fleet.

Students must do the following:

1. Be at their bus pickups on time.
2. Wait their turns to load and unload the bus. Avoid standing or playing on the road while waiting for the bus.
3. The bus driver and bus monitors should be treated with respect.
4. Show consideration for the property where their bus stops are located. Damage and destruction at “stops” result in the discontinuance of these “stops.”
5. Nothing (arms, hands, heads, books, etc.) shall be allowed to protrude from open windows on the bus. Windows may only be opened or closed with the permission of the bus driver. Feet should be kept on the floor at the seats and not protrude into aisles of the bus.
6. Horseplay, littering, loud and boisterous conduct on the bus will not be allowed. This type of conduct distracts a driver and may result in a serious accident endangering every person on the bus.
7. Students must wear seat belts on buses where they are available.

VII. TELECOMMUNICATION

Users are legally bound to the terms and conditions of the Telecommunications Use Agreement. It is assumed that users have read the terms and conditions carefully and understand their significance including the understanding that any violation of these regulations is unethical, may constitute a criminal offense, that accessers' privileges may be revoked and school disciplinary action may be taken as well as appropriate legal action.

If a parent or guardian does not authorize the school to make Internet access available to their student, it is the parent's responsibility to inform the school in writing. Alternate activities of a suitable educational nature not requiring Internet access will be assigned to students whose parents have informed the school not to make Internet access available to their student.
