A Note From Mr. Hughes:

A reminder that students cannot enter the building until 7:40 a.m. Students arriving after 8:00 a.m. are late and must be signed in by an adult at our welcome center (Door #1). The main entrance is for busses and daycares only. If your student is a car rider, please use the car rider line off of Mt. Tabor Road. Thanks for your help keeping our students safe.

Our 4th graders will present our annual Veterans Day Program on Tuesday, November 14th. The morning programs are at 9 and 9:45 a.m. These performances are primarily for our students. The evening program is for parents and family members at 6 p.m. Our music instructor, Mrs. Kingery, the fourth-grade teachers/staff, and students are working very hard on this program to honor our veterans. A big thanks to all those that have served our country.

Parent/ Teacher Conference Day is on Tuesday, November 7th. It is election day and there is no school for students that day. Your child's teacher will discuss your child's report card and academic progress with you. This is also a great opportunity to ask any questions that you might have and discuss ways that you can help your child at home. Please make every effort to attend your child's conference. If something should come up and you are not able to attend, contact your child's teacher to see if the conference can be rescheduled.

Our students had a great time at their classroom fall parties today. Thanks to those parents that helped out or sent in treats. I know many of our students will be out trick-or-treating on Tuesday. Have fun and be safe! Have a great weekend!!

Mr. French's Corner

A B Cs Of Student Success

J is for JOBS.

Giving kids jobs at home teaches them responsibility and other valuable lessons.

- Young children follow directions as they sort socks or set a table. Older children take on bigger tasks.

- Don't expect a job to be done right unless you take time to teach the child to do it right.

- Don't take away from a child's sense of accomplishment by redoing a job.

With practice and encouragement, jobs help develop responsibility and a strong work ethic as they set the stage for success in life.
