Mr. French's Corner

A B Cs Of Student Success

R is for RESPECT.

If children are to show respect for others, they need to understand what it is to be respected. Author Michelle Borba emphasizes these parent practices that nurture respect:

- Treat your child as the most important person in the world.
- Encourage children to have high -- but achievable -- expectations of themselves.
- Give love with no strings attached.
- Listen attentively and respectfully.
- Enjoy being together.
- Tell kids often *why* you love them.
