Week of April 22, 2024

Established in 1928

## Important Dates & Events:

**April 23– Student Council until 3:15**

**April 25– Zesto Spirit Night**

**April 21– Best Buddies Walk at Highland Hills Middle**

The NAFCS Elementary Art Show continues through the end of April at the New Albany-Floyd County Library. Congratulations to our Mt. Tabor winners: Mia Sorrel, Ella Holt, and Charles Adams. A big thanks to our art specialist, Mrs. Mundy. There is a lot of awesome art work on display.

ILEARN testing continues next week for our 3rd and 4th graders. Please make sure your student is at school each day and on time. Of course, if they are sick, they need to stay home and get well. Encourage your student to do their very best. Our 3rd and 4th grade teachers and staff have worked very hard to make sure your student is prepared.

The Best Buddies Friendship Walk is on Sunday, April 21st at Highland Hills Middle School from 10:00 a.m. – 12:00 p.m. Best Buddies is an organization that works to provide social opportunities to individuals with special needs through their friendship, leadership, and employment programs. Thanks to Mrs. McKnight and Ms. Braden for leading the Mt. Tabor Chapter of Best Buddies.

Have a wonderful weekend!

# Mr. French's Corner

**A B C**s Of Student Success

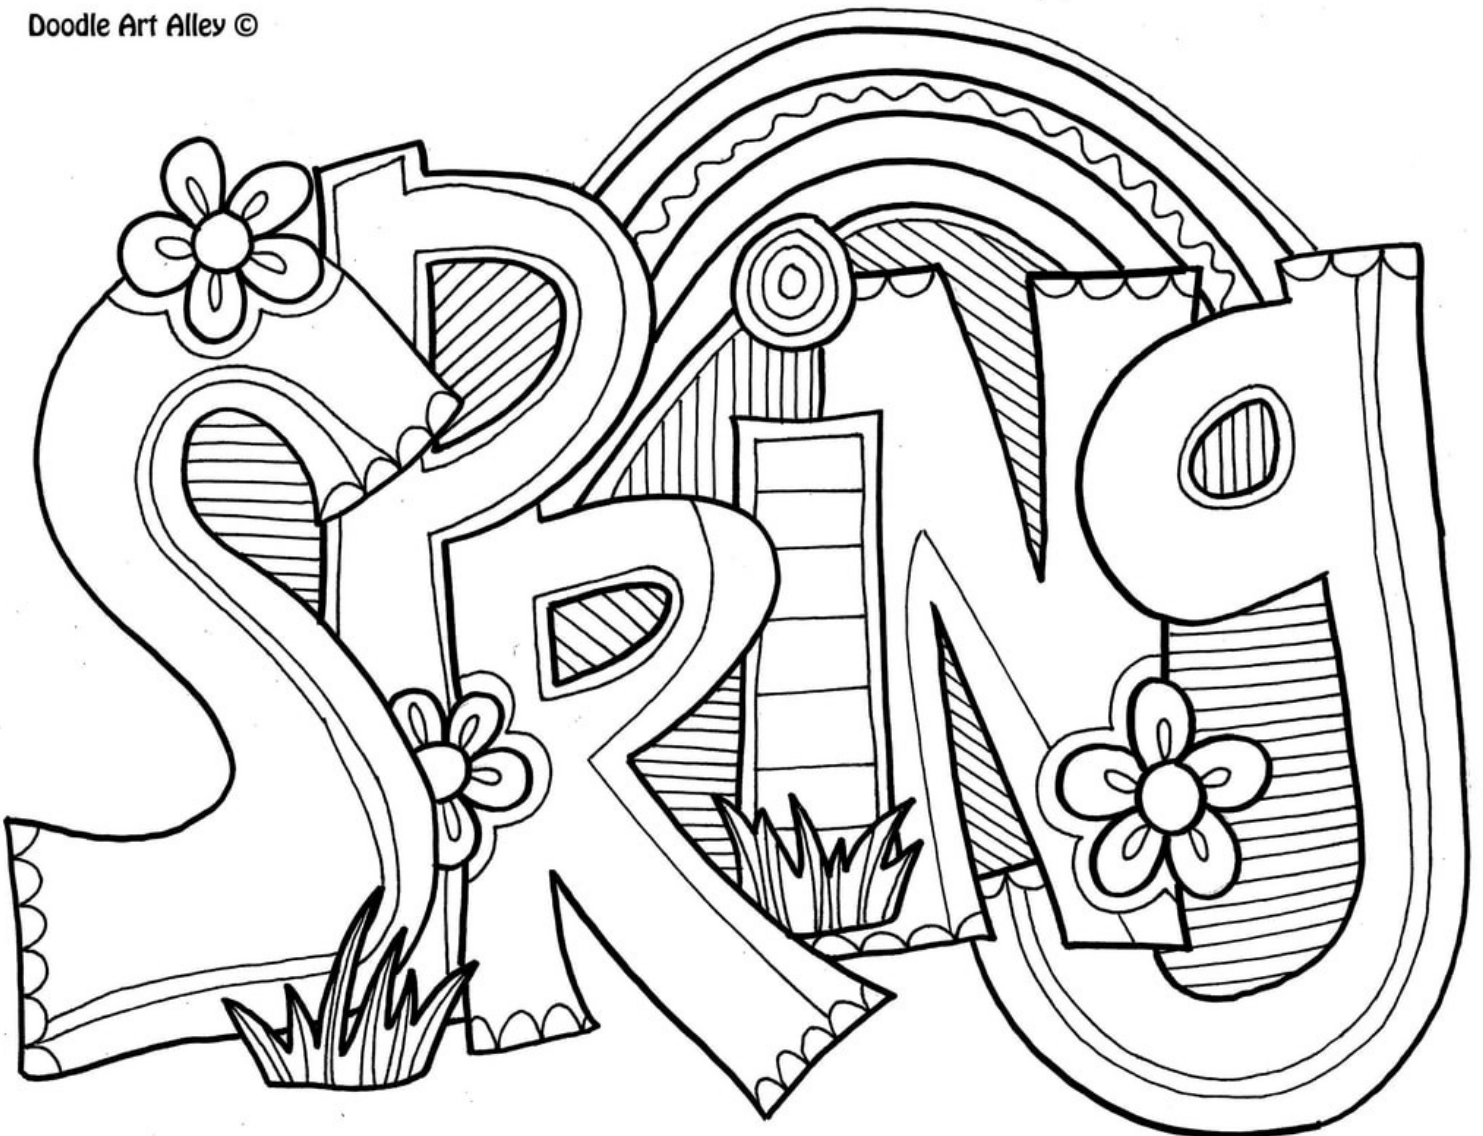

**Y** is for YESTERDAY.

How can you nurture your child's interest in the past?

- You and your child can learn about your family's history by creating a family tree.
- Share what life was like when you were a child. Interview grandparents about what life was like when they were children.
- Create a scrapbook or photo album and fill it with old family pictures and mementos.
- Preserve tomorrow's memories by journaling or creating a time capsule of the present. Your grandchildren will thank you!

# Health Office Notes:

## **The Health Office Needs Your HELP!**

**The health office desperately needs pants, sizes 5T-10  
(large)!**

**All donations are greatly appreciated and can be dropped  
off at the welcome center or sent to school with your  
student.**

It's Cold and Flu season, still. Please keep your child home from school if they have a fever  $>100.4$  or any vomiting or diarrhea and contact our attendance line to let them know. They can return when they are fever/vomit/diarrhea free for 24 hours without the use of medication.

This is also a common time of year for Head Lice. This time of year in late Winter our kids are bringing in their coats and hats to help with the cold chill outside. A lot of times students will share their hats with friends or leave their coats in a pile on the classroom floor. Encourage your student not to share hats, brushes, or coats in the school setting, along with sitting with their heads together. Remind your child to store their hats and coats in their backpack when they are not in use. Remember: Head lice don't jump, they don't live on pets and they have nothing to do with personal hygiene. No one is exempt from getting head lice. The most common way head lice is spread is by head-to-head contact. If you notice your child is scratching their scalp, you can check their scalp in a well lit area of the home or you can call and ask the school nurse or health aide to check your student at school. If you find that your student has lice, please contact the school and let them know. We have a supply of lice treatment from our health department that we can provide if assistance is needed. We can also guide you in how best to treat the home as well. Once they have been treated, an adult from the home will need to bring them into the health office for a head check. If no live lice are found, the student may return to school.

Please call or email Allison Nestor, RN at 812-981-7653, [anestor@nafcs.org](mailto:anestor@nafcs.org). Thank you for all you do to keep our kids safe and healthy in school!
