

# TIGER TALES

Mt. Tabor Elementary School

Week of April 8, 2024

Established in 1928

## Important Dates & Events:

***April 8– Virtual Day // Solar Eclipse***

***April 9– Student Council Meeting***

***April 12– All Pro Dads***

A reminder that Monday, April 8th is an asynchronous eLearning day due to the solar eclipse. Students will be bringing home their Chromebooks and chargers.

Our Superintendent, Dr. Travis Madison, sent out a survey to all NAFCS families via email on Thursday, April 4th . Please take 10-15 minutes to complete the survey on or before May 2nd . Your feedback is very important to us and will help shape our future goals.

Thanks in advance for your help.

Please welcome former Mt. Tabor student, Emily Hutton, to our Mt. Tabor School family. Ms. Hutton is our new school social worker. She is eager to support our students and their families. Please contact her if she can assist you in any way.

All Pro Dads is next Friday, April 12th . Please RSVP on-line if planning to attend. Have a wonderful weekend!

**X** is for EXPLORE.

Children are naturally curious about many things. Providing opportunities to explore their interests is a great way to help them learn.

- Encourage children to seek answers to their own questions.
- Buy books that capitalize on their interests and help them learn more. (Even better, visit the library.)
- Support hobbies by providing supplies and complimenting their efforts. Better yet, join in the fun!
- Visit museums and other places of interest.

# Health Office Notes:

## The Health Office Needs Your HELP!

The health office desperately needs pants, sizes 5T-10  
(large)!

All donations are greatly appreciated and can be dropped  
off at the welcome center or sent to school with your  
student.

It's Cold and Flu season, still. Please keep your child home from school if they have a fever  $>100.4$  or any vomiting or diarrhea and contact our attendance line to let them know. They can return when they are fever/vomit/diarrhea free for 24 hours without the use of medication.

This is also a common time of year for Head Lice. This time of year in late Winter our kids are bringing in their coats and hats to help with the cold chill outside. A lot of times students will share their hats with friends or leave their coats in a pile on the classroom floor. Encourage your student not to share hats, brushes, or coats in the school setting, along with sitting with their heads together. Remind your child to store their hats and coats in their backpack when they are not in use. Remember: Head lice don't jump, they don't live on pets and they have nothing to do with personal hygiene. No one is exempt from getting head lice. The most common way head lice is spread is by head-to-head contact. If you notice your child is scratching their scalp, you can check their scalp in a well lit area of the home or you can call and ask the school nurse or health aide to check your student at school. If you find that your student has lice, please contact the school and let them know. We have a supply of lice treatment from our health department that we can provide if assistance is needed. We can also guide you in how best to treat the home as well. Once they have been treated, an adult from the home will need to bring them into the health office for a head check. If no live lice are found, the student may return to school.

Please call or email Allison Nestor, RN at 812-981-7653, [anestor@nafcs.org](mailto:anestor@nafcs.org). Thank you for all you do to keep our kids safe and healthy in school!

# SUN BUCKS ARE HERE!

## What are SUN Bucks?

SUN Bucks is the new version of the Pandemic EBT (P-EBT) or Summer EBT (S-EBT) program that the state has been participating in for the past several years.

## DO YOU AUTOMATICALLY QUALIFY?

- If your household already participates in SNAP, TANF, Income-Based Medicaid, Foster, Migrant, or Homeless, your child will be automatically enrolled in the SUN Bucks program. You do not need to fill out an application. You will receive a card in the mail that will already be loaded with the funds that are allotted to you.

## IF YOU DO NOT AUTOMATICALLY QUALIFY?

- If you are not automatically enrolled and believe your children are eligible, you can get SUN Bucks by filling out the Districts Meal Assistance Application that is located on the food service website. A link to the application is below or you may request a paper application from your child's school.

Application Info. Needed: child's name, school, date of birth, address. You will also be asked to report your household's income.
