

TIGER TALES

Mt. Tabor Elementary School

Week of May 13, 2024

Established in 1928

Important Dates & Events:

Student Council—May 14

PTO Meeting— May 14

Party on the Playground— May 16

Our Superintendent, Dr. Travis Madison, sent out a survey to all NAFCS families via email back on April 4th . Please take 10-15 minutes to complete the survey on or before May 2nd . Your feedback is very important to us and will help shape our future goals. Thanks in advance for your help.

A reminder that Tuesday, May 7th is an eLearning day. Students will bring their Chromebooks home on Monday.

Progress reports for the fourth quarter will be sent home with students on Thursday, May 2nd . Have a great weekend!

Weekly Lunch Menu

Monday:

Mr. French's Corner

A B Cs Of Student Success

A is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling *and* in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!

©Copyright EducationWorld.com

the big SHOUT OUT

The Mt. Tabor family would like to thank the New Albany Floyd County Education Foundation for their generous Great Classroom Grant program. This year, Ms. Smith special education classroom was donated resources to support the sensory, behavioral, and academic needs of her students. This was just one of the many classrooms to receive this support. Thank you NAFC Education Foundation for all you do for our students!

Health Office Notes:

Attention 4th grade Parents!

Dr. Seth Ernstberger will be coming to Mount Tabor on Thursday, May 16th to discuss dental hygiene with our fourth graders at 1pm! We are very excited to welcome him and his staff! He will go over how oral health relates to overall health, what happens when we neglect our teeth and gums, how to prevent cavities and gum disease, and proper brushing and flossing techniques.

The Health Office Needs Your HELP!

**The health office desperately needs pants, sizes 5T-10
(large)!**

**All donations are greatly appreciated and can be dropped
off at the welcome center or sent to school with your
student.**

The end of the school year is approaching fast. If your student has medication in the health office, please email or call us to let us know how you would like the medication to go home. If the student has a controlled medication, such as certain ADHD medications remaining (more than one pill), it will need to be picked up by an approved adult by 3pm on the last day of school.

If your student has a chronic medical condition that requires a Healthcare Action Plan, you will be receiving a Summer Letter with the new orders for next year. Please reach out to your child's doctor and have the necessary forms completed by the first day of school. All forms can be found on the district website, should you misplace your copy over the summer. Please remember to keep any students with fevers >100.4 home. They can return when they are 24 hours fever free without the use of medication like Tylenol or Ibuprofen.

This is also a common time of year for Head Lice. This time of year in late Winter our kids are bringing in their coats and hats to help with the cold chill outside. A lot of times students will share their hats with friends or leave their coats in a pile on the classroom floor. Encourage your student not to share hats, brushes, or coats in the school setting, along with sitting with their heads together. Remind your child to store their hats and coats in their backpack when they are not in use. Remember: Head lice don't jump, they don't live on pets and they have nothing to do with personal hygiene. No one is exempt from getting head lice. The most common way head lice is spread is by head-to-head contact. If you notice your child is scratching their scalp, you can check their scalp in a well lit area of the home or you can call and ask the school nurse or health aide to check your student at school. If you find that your student has lice, please contact the school and let them know. We have a supply of lice treatment from our health department that we can provide if assistance is needed. We can also guide you in how best to treat the home as well. Once they have been treated, an adult from the home will need to bring them into the health office for a head check. If no live lice are found, the student may return to school.

Please call or email Allison Nestor, RN at 812-981-7653, anestor@nafcs.org. Thank you for all you do to keep our kids safe and healthy in school!

Star Wars Block Party and Summer Reading Kick-Off

Saturday, May 11th from 11 AM - 3 PM

Cultural Arts Center
201 E Spring St, New Albany, IN

Celebrate our Summer Reading Program with a kick-off event for all ages at the Floyd County Carnegie Library Cultural Arts Center! Explore booths with out-of-this-world activities, games, and crafts, plus a special visit from Star Wars characters in the 501st Legion! See our Star Wars Meets Indiana Jones exhibit featuring character costumes, props, models, and memorabilia from the Stars Wars universe and beyond!

Upcoming Events

Star Wars Meets Indiana Jones: The Hero's Journey of Dr. David West Reynolds
May 11th - August 31st
Cultural Arts Center

This incredible exhibit chronicles the journey of New Albany native and NAHS alumnus David West Reynolds from Star Wars fan to an official creator in the Star Wars Universe. Mirroring the mythical "Hero's Journey" from the movies that influenced him, Reynolds overcame obstacles to forge an unprecedented career, from excavating ancient ruins to inventing Yoda's lightsaber to becoming a NY Times best-selling author. Featuring fascinating artifacts and costumes, this exhibit shows the importance of imagination as a path to reality. Free for all ages.

Galactic Adventures: The Curiosity Dome
Saturday, June 8th from 10 AM - 4 PM
New Albany Central Library
180 W Spring St, New Albany, IN

Experience the amazing Curiosity Dome, a portable planetarium! Step inside and view the shows "Passport to the Universe" and "Future Moon". Venture into the Solar System, through the Milky Way Galaxy and to the edge of the universe. Witness man's first step on the Moon and explore a theoretical lunar colony. Free for all ages. Sign up at <https://nafclibrary.libcal.com>

FALL

SUN BUCKS ARE HERE!

What are SUN Bucks?

SUN Bucks is the new version of the Pandemic EBT (P-EBT) or Summer EBT (S-EBT) program that the state has been participating in for the past several years.

DO YOU AUTOMATICALLY QUALIFY?

- If your household already participates in SNAP, TANF, Income-Based Medicaid, Foster, Migrant, or Homeless, your child will be automatically enrolled in the SUN Bucks program. You do not need to fill out an application. You will receive a card in the mail that will already be loaded with the funds that are allotted to you.

IF YOU DO NOT AUTOMATICALLY QUALIFY?

- If you are not automatically enrolled and believe your children are eligible, you can get SUN Bucks by filling out the Districts Meal Assistance Application that is located on the food service website. A link to the application is below or you may request a paper application from your child's school.

Application Info. Needed: child's name, school, date of birth, address. You will also be asked to report your household's income.

APPLY ONLINE:
**[HTTPS://FOODSERVICE.NAFCS.ORG/
FREE-AND-REDUCED-LUNCH/](https://foodservice.nafcs.org/free-and-reduced-lunch/)**
